

These kitties are two from the same litter and are now approximately 13 years old. They have been house cats all their lives and pretty much with the one owner exclusively. They are current on their rabies shots and as far as we know they are in good health. They are really in need of someone to love them. The grey one is Whispurr and the white one is Dreamy. They have never been apart nor around other animals. Please contact Bob and Patricia Stanko at 412-885-9036 or at 412-965-2509 if you are interested in adopting these cats.
